Celebrating 52 years of "We Love Your Boat"

Monthly Notes from Tide Mill Yacht Basin

Our best wishes to everyone for a safe 4th of July and here's to a fun filled Summer of 2024!

OFFICE HOURS: Monday - Friday 8am to 3:30pm, (Please - no house calls).

FUEL DOCK - Tide Mill Customers can call by mid week and we will fuel up your boat for you and have it ready to go for the weekend! (Please note - only a limited # of requests can be handled so call by mid week early and requests under 50 gal. will be charged a small service fee.) There is no fuel service 7/4.

TIDE TABLES: New 2024 tide tables are available in the office or at tidemill.com

OUTSIDE CONTRACTORS: Please inform any outside contractors that may be working on your boat that a Certificate of Insurance **MUST** be on file with Tide Mill **PRIOR** to any work being performed. In addition, all contractors must sign in and out each time they come to the yard to work on your boat. There can be no exceptions to the insurance rule.

SHIPS SUPPLIES: Any special order can be made from our suppliers catalogue and delivered free the next day to your boat! Just give us a call!

CHANNEL MARKERS: The channel markers have been placed to mark the banks of the channel. For the safest route, please stay in the middle of the channel as marked. Boats drawing 5ft or more should try and avoid dead low times. Also, avoid the fuel dock area at low tide!!

ID TAGS: Complimentary ID tags are available in the office to identify your hoses, power lines, etc. Please respect your neighbors property and use your own hose.

GOING FISHING??: Anglers age 16 years of age and older need to enroll in New York's recreational marine fishing registry if they are going to fish NY waters. Visit the state web site for more info - <https://dec.ny.gov/regulatory/permits-licenses/sporting-and-use/sporting/decals>

HURRICANE SEASON is here and the experts are again calling for a few doozies! Before they hit, please consider extra lines, chafing gear, adequate and functional bilge pumps, good batteries, extra fenders, remove all non permanent items from the deck and most importantly, contact Tide Mill if you need us to check your vessel.

PLEASE note that some people are overnighting on their boats at the dock. When entering the marina at night or entertaining at the dock, please avoid loud radios, yodeling, or engine revving so as to not disturb the dreamers! And, beware of the guy living in the red house!!

FLOAT PLANS are important! Please remember to file one with the office so we can find you in an emergency!
