## WINDBAG HIGHLIGHTS

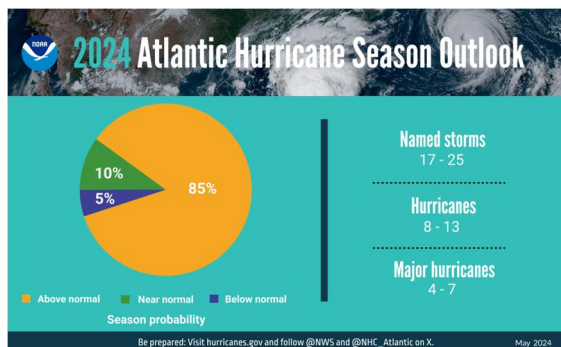

*This rest of this year's storms will go by the following names!*

Good News! - September is a great boating month! Bad News! It's also prime storm season! Conditions in the ocean and the atmosphere are conspiring to produce an above-normal hurricane season. There is a significant possibility of the season being extremely active. The outlook indicates a 85% chance of an above-normal season, only a 10% chance of a near-normal season, and a nominal 5% chance of a below-normal season. In the event of a major storm, Tide Mill will add extra lines and fenders to all customer boats.

For the month of September, please note:

**Office & Fuel Dock Hours: Mon-Thurs 8AM to 3PM. TIDE MILL CUSTOMERS ARE URGED TO CALL by MID WEEK (Wed.) FOR FUELING SERVICE!**

**The Summer Slip Contracts** end September 30, 2024. Summer Customers are reminded that there is a pro-rated fee charged for extra time at the marina. Beginning October 1st, the charge will be \$1.25 per foot per day based on the boat's overall length. Enjoy the fall here at Tide Mill!

**Here's to a fantastic, sunny fall!**
